VISMAYA K N

ABSTRACT

The project entitled “AQUERA” is a web-based project describing a unique market place for aquatic related items like Aquarium Fishes, Aquarium, Fish foods, Aquatic plants, Aquarium stones, Sands, Lights, Air Filter etc. Aquatic enthusiasts will enjoy this site.

Two modules make up this project. Admin who oversees all activities such as verification of genuine seller, can view the user registration details, booking details and so on. Anyone can use the website as a Buyer or Seller by logging in or registering. This website allows sellers to sell their products and buyers to purchase products that meet their needs.
